LaVita Spa

Family Spa

Pure relaxation.

Forget the world around you. Enjoy the moment. Feel, how the cosy warmth relieves all tensions and new vitality flows through the body. Just being happy. For these reasons we have designed the adults only Silence Spa Garden.

## LaVita Spa

Enjoy a wellness world of 2500 m<sup>2</sup> in our LaVita Spa, which offers a total sensory experience.

From the indoor pool with waterfall and counter-current swimming lane, you can reach the outdoor pool with hydromassage stations. Families with children over the age of six can experience moments of genuine well-being in the different saunas dedicated to them (clothed). To restore the balance between body, spirit and soul, you can use our silent oasis with water beds and an open space relaxation area with a tea corner. Guests over 16 can experience relaxation on the highest level in our Silence Spa Garden: Here you will find a salt-water swimming pool, three different saunas, one of which is panoramic, luxurious relaxation areas and beautiful sun-kissed terraces that will satisfy every desire.

A must during your stay: Regenerating massages or treatments, using products of fine cosmetic lines such as Maria Galland and Salin de Biosel, performed by our experienced staff. You will feel like being in paradise, with long-lasting effects, we promise!

## Lomi Lomi Nui

This is a traditional Hawaiian massage ritual with a therapeutic effect. The term 'Lomi', which means „massage, press, shape“, is repeated for emphasis. 'Nui' can be translated as „big, important, unique.“ This treatment, which requires a considerable amount of hot oil, requires the use of hands, forearms and partly the elbows as well. The movements are fluid and oscillate slightly. This so-called „king of massages“ regulates the energy flow between body, spirit and soul. The delicate hand movements are accompanied by typical Hawaiian sounds for deep inner harmony. You're in expert hands with our masseuses: say Aloha to a newfound well-being!

# Saunas

## Wellness at every temperature

- Silence Spa Garden with panoramic sauna (55 m<sup>2</sup>), tubs for cooling down and experiential showers, biosauna, steam bath, salt water pool, vitamin bar, relaxation areas and sun kissed terrace
- "Alpine hut" sauna in the garden
- Tyrolean Biosauna
- Traditional herbal bath
- Turkish bath with aromatherapy
- Steam bath with salt water
- Tepidarium
- Kneipp Path
- Ice cave
- Relaxation area with herbal tea
- Oasis of quiet with water beds and relaxing Music

## "Alpine Hut" sauna in the garden

### (90°C – seats for 15 people)

A really hot pleasure, but first a nice shower! This wonderful sauna seats up to 15 people. Sit for 10-15 minutes on the towel, breathe and relax. To cool down, you can go out in the open air and walk on the Kneipp path. After a quick shower, you should rest for at least 20 minutes, and then you can start the ritual again.

## Turkish bath with aromatherapy (42°C)

The pleasant heat of the walls and benches, as well as the steam, promotes sweating throughout the body. A 15 to 20-minute sauna rehydrates the body and activates the circulation. Steam is also a cure-all for all respiratory issues.

### **Tyrolean biosauna (55°C)**

At 55°C the body starts to sweat profusely after about 15 minutes. The slow increase in temperature promotes the harmonious detoxification process. The high quality aromatic wood and the light therapy will offer you a pleasant sensation of relaxation in the Tyrolean biosauna.

### **Brine steam bath (42°C)**

During this bath, the cabin fills with vapour from a sea salt solution. This particular steam bath will give you the same sensations of a swim in the sea and is a cure-all for your lungs, bronchial tubes and for the entire respiratory tract.

### **Traditional aromatic herbal bath (42°C)**

Inhale deeply! Different herbal extracts including chamomile, eucalyptus and mint help the body heat up starting from the first jet of steam.

### **Kneipp basin**

You can find this basin in the sauna landscape and in the garden in front of the mountain hut sauna. It provides cooling and boosts the circulation.

### **Panoramic sauna (80°C – seats for 30 people)**

A sauna with a breathtaking view: a truly unique experience. Savour the warmth, dissolve all tension and feast your eyes on the mountain panorama offered by San Martino al Monte ... pure pleasure!

### **Biosauna**

The perfect combination of a steam bath and a Finnish sauna! Ideal for those who suffer at high temperatures and humidity but do not want to deprive themselves of the pleasure of the sauna. The biosauna reaches a maximum temperature of 60-65°C with a maximum humidity of 40-50%.

### **Steam bath**

Warm and fragrant steam, accompanied by revitalizing plays of light: an exclusive experience! Seeing is believing...

### **Family sauna – non-nude sauna (for children from 6 years)**

Even younger guests, accompanied by an adult, can immerse themselves in our wellness paradise with a Finnish sauna, steam bath, ice grotto, tepidarium, herbal sauna and experiential showers.

# General information

## **Spa Guidelines**

We wish to respect every guest's desire for relaxation. For this reason, we ask you to not make telephone calls in the wellness area. Moreover, please, do not reserve deck chairs with a towel.

## **Our mission is to make your wishes come true**

The experts in our LaVita Spa are happy to create a customized relaxation programme suited to you. Please understand that, especially during weekends and holidays, our appointment schedule may be very full. We recommend reserving the treatments before the start of your holiday, via telephone or e-mail, so that we can completely satisfy your requests.

## **Preparation for massages and cosmetic treatments**

Please be at the LaVita Spa reception a few minutes early in order to let us know your objectives so we can personalise the treatment based on your requests. If desired, you can also advise your therapist any other requests during your treatment, for example, concerning the technique of the massage.

## **Participation in the sports and activity programme**

You can take part in the daily programme of sports and activities free of charge (not including any expense for bus rides). In the fitness room, in addition to the cardio equipment, you will find four new body building machines.

The wellness treatments included in the packages may be reserved before 2 PM, based upon availability.

Cancellations are free of charge up to 12 hours before the treatment. For cancellations less than 12 hours prior, you will be charged 80% of the price of the treatment if the booked time slot has not been reserved by another guest.

Take a journey to a wonderful world, called relaxation, accompanied by sensual sounds and scents.
